

KENRO SIGNATURE ALBUM

The Signature Album is produced by Kenro, one of the leading suppliers of photographic accessories in the UK. These new albums provide a professional photo book result. Prints or collages fit flush onto photo board pages. With simulated black leather covers and stylish black pages, each album comes in a gift box for that perfect and professional finish.

Each album can hold a minimum of 20 single images or can be laid out montage style and is offered in a 10x8in size.
